

28th World Christian Endeavor Convention

December 12, 2017

Dear Christian Endeavor friends and family,

I am writing to formally invite you to the 28th World Christian Endeavor Convention in San Diego, California, USA July 25-29, 2018. Some of you will also be attending Committee and Board meetings on July 24.

The convention activities will be held at "Congregational Christian Church (CCCAS), 2819 East 18th Street, National City, California, USA 91950" as well as at sister churches in close proximity to this location. We would be blessed for you to join us for this gathering. The Convention Committee chose the theme "Open." Speakers representing several cultures will share how CE's founding principles challenge us to Open Up in our relationship with God, Open In to build stronger relationships in our local churches, Open With to bond with the larger Body of Christ working together to spread the Gospel of Christ, and Open Out as we follow God's leading to reach a world in need of Him. I believe all who attend will be blessed.

Thank you for your ongoing involvement with Christian Endeavor and I look forward to seeing you in San Diego. Peace!

Sincerely,

Dr. Dave Coryell
General Secretary
World Christian Endeavor
